

For the third year in a row, the GSTTA celebrated the end of Winter competitions with a “friendly” between representatives of the Eastern and Western table tennis competitions on the Fleurieu. Unlike the previous two years, this year was a one-night affair, hosted by the Westerners at the Yankallila Showgrounds Hall.

As in previous years, the winner was determined by adding up all the points won for each team; this year the winning team was the Easterners (for the first time), 1268 points to 1224.

Thankyou so much to Kai Hillen and the rest of the Western gang for hosting and for the great night!
